

THE EPISCOPAL DIOCESE OF EAST TENNESSEE
37th ANNUAL CONVENTION – FEBRUARY 6, 2021
RULES OF ORDER

Because of health and safety issues related to COVID-19, the 37th Annual Meeting of the Convention of the Episcopal Diocese of East Tennessee will be held electronically by remote attendance. Certain modifications and limitations on the provisions for meetings of the Convention in the Canons and Rules of Order are set forth in these Rules of Order to accommodate an electronic meeting.

I. SPECIAL RULE OF ORDER FOR CONDUCTING THE 2020 ANNUAL CONVENTION OF THE DIOCESE OF EAST TENNESSEE DURING THE COVID-19 PANDEMIC BY REMOTE ATTENDANCE AND ELECTRONIC MEETING AS MEANS OF COMMUNICATION

The 37th Annual Meeting of the Convention of the Episcopal Diocese of East Tennessee shall be conducted through use of an Internet meeting service designated by the President that supports anonymous voting and visible displays (i) identifying those participating, (ii) identifying those seeking recognition to speak, (iii) showing or permitting the retrieval of the text of pending motions, and (iv) showing the results of votes. This electronic meeting of the Convention shall otherwise be subject to all rules adopted by the Convention to govern its annual meeting, which may include any reasonable limitations on and requirements for members' participation. Each delegate registered and attending the 2020 Annual Convention by the use of, or a means of, communications by which all delegates and/or members participating in the Convention may simultaneously hear each other shall be deemed to be present in person, and/or present and voting, as applicable, under those Rules of Order. When in conflict with the Rules of Order of the Convention, these Supplemental Rules of Order shall prevail. This and any other such rules adopted by the Convention shall supersede any conflicting rules in *Roberts Rules of Order*.

In addition, the following procedures shall apply:

- A. Voting shall be conducted using anonymous voting software accessible over the Internet to all delegates unless a different method available through the Internet meeting service is ordered by the Bishop. An anonymous vote conducted through the designated voting software or through the Internet meeting service shall be deemed a ballot vote, fulfilling any requirement in the Constitution or Canons or rules of order that a vote be conducted by ballot. Votes shall be deemed anonymous so long as votes cast by an individual are available only to the administrator of the voting system.
- B. Except when a vote via the voting platform is required, business may be conducted by unanimous consent, as expressed through the "raised hands" function of the Internet meeting platform.
- C. Delegates shall identify themselves as required to sign in to the Internet meeting service, and shall maintain at a minimum audio access throughout the meeting

whenever present, though internet audio and video access is preferred. Delegates shall sign out upon any departure before adjournment.

- D. The presence of a quorum shall be established by the online list of participating delegates.
- E. Each delegate is responsible for access and quality of their audio and internet connections necessary to participate; no Convention action shall be invalidated on the grounds that a delegate's individual connection prevented participation in the meeting.
- F. The Bishop or his authorized designee may cause or direct the muting of a delegate's connection if it is causing undue interference with the meeting. The Bishop's decision to do so during the meeting shall be recorded in the minutes.
- G. In addition to display of pending business, motions or results of votes, video of the Bishop and any officer or delegate currently recognized to speak or report shall be displayed throughout the meeting, as well as such other video displays as the Bishop designates in his discretion.
- H. The procedure to be recognized for a motion, to seek the floor, to cast a vote, or for any other action by a delegate during the virtual meeting of Convention or at any pre-Convention meetings shall be governed by the provided instructions for using the features of the Internet meeting service to conduct business at the Annual Meeting of The Convention
